Sandra F. Hosking of Malvern, Pennsylvania formerly of Medford, New Jersey passed away on Monday, May 18, 2026 at the age of 69. Born in Redbank N.J. she spent most of her life in New Jersey. She was the daughter of June Kerr Hosking and Gerald C. Hosking of Medford. On June 13th, 1974 she was parked at a shopping center in Willingboro N.J. when her car was struck by a drunk driver. She suffered severe brain damage and was unconscious for months. She eventually awoke to a life of frequent medical problems and visits to doctors and hospitals, all related to the accident. She endured all this bravely and spent her last years in group homes where she received care and assistance. She is survived by cousins from her mothers family. Rest in Peace Sandy
