“ I just learned of the passing of Mrs. Byer and I'm very saddened to hear of it. In 1987 I purchased her 1958 Plymouth and have been driving it ever since. During the intervening years , I spoke with Mrs. Byer several times and we always had great conversations about her memories of driving the car down to Wildwood during the Summer and many other trips. She was always lively and engaging. I named the Plymouth "Liz " in her honor and she got a kick out of it when I told her. With each passing mile I will always remember a great lady who shared so much. God bless You and Your Family##imported-begin##John Diekewicz##imported-end##
