“ My heart breaks for your family. Mr. Scott was my daughter, Remi's, bus driver, and he always greeted us with a smile and made her feel seen and special. Those small moments meant so much and truly brightened our days.

We feel fortunate to have known him and to have experienced the kindness and joy he brought to the children he saw each day. He made a lasting impression on our family, and we will remember him fondly.

*Keeping your family in our thoughts and prayers.
