“ I was good friends with Sean at BCC and Montclair. His sweet spirit, combined with his openness of his passions, put people at ease with him. Whenever I met someone else who knew Sean, it was never a simple "oh i know Sean too"...instead, it was an immediate joy and excitement that we both knew someone as loveable as Sean. We reconnected in our 30s, and all of these qualities of his had only evolved. It was also evident how much he loved his family, in particular his affection for his younger sister Amber. Sean was always one of a kind and will be greatly missed.

“ Sean will always be remembered by the Horton Family. From late night laughs and my mom yelling at Sean to keep it down, competing in DDR and so many more hilarious memories. Sean was such a huge part of my life growing up and he was and will always be a brother to me.

“ Sean was a gentleman with a great disposition who loved life. We shared many years together and I always knew he would create enjoyable memories with his presence and winning attitude. You don’t find these gifted people often enough as they are a rarity in this time of self absorbed individuals. I’ll miss my nephew Sean dearly as I loved his bear hugs that wrapped me in love, his openness to share with someone 30 years his senior, his enthusiasm for Eagles football, and his Sean Connery impressions. He was the best of what makes life worth living and I pray that his spirit will come back in one or more of our family members either living or yet to be born.
