*There are hardly words to express the sadness of such an unnecessary and sudden loss such as Shane's, but my heart goes out to Shane's family and friends who will miss him forever, and I hope for justice for Shane. May all of Shane's family members and friends always find comfort in their loving memories of him. Bob and I will never forget how Shane always made us laugh when we were in his company. It's a nice way to remember him. RIP, Shane.*

“ From every being there rises a light that reaches straight to heaven. And when two souls that are destined to be together find each other, their streams of light flow together and become a single brighter light from their united being. Jim and I consider ourselves very lucky to have witnessed the light that you two shared. We could truly see it in everything you did together. No one can ever take that from you. Your light will Shine on us forever. Our prayers, hugs, love and condolences. Rip. <3

“ I will always remember how you always saved me from being scared in the middle of the night. The triangle that was thought to be broken when we moved in only got bigger. Love you dog. See you on the other side. For now we will watch over your family.

“ Shane,Shawn and Chris have been like brothers to me almost all my life. We've been thru hard times and fun times together. The fondest memory I will always remember Shane for was when he was 16 years old and he got tired of all of us older ones partying and he told me, "no more partying" and body slammed me in the front yard if the Cheney's house.lol.our li iuOur little corner family were so tight and watched out for each other always. Shane was there when my daughter was born and the first one to vouleenteer to babysit. Shane has always been the "good one" out if us all and he has always been a family man. He created a beautiful family of his own to carry on his memory and traits. Shane will be missed by many and his spirit will watch over and protect us all because that's what kind of Nan he was. Rest easy brother. Love,June S and Katelyn Cheney.
