I only found out about her passing last night. My heartfelt sympathy to Danny and the family. I was shocked in my flesh but take comfort in my spirit that she is with the Lord. It's also a reminder to me that life is short and that sometimes even when "God says no...His Grace is sufficient" I have learned in my personal life recently that this life is precious and so we should be more understanding of each others needs. I did not know her well but I knew her well enough to know that she was a strong individual and a loving person. Danny...Please keep the faith! I hope to see you soon!

“ Dear Danny and Family,

I will remember Sharon from grade school, but mostly from our 60th Birthday Reunion of RVRHS. We had such a wonderful time laughing with Barb Holmes, trying to fit ourselves through the fence. Sharon, Barb and I were having the best fun making jokes, and rekindling our younger years. I won't ever forget that night, she left that moment with me forever. So hard to believe that last year at this time, we were planning our RV Reunion, and this year we are saying Goodbye to one of our dear friends from our committee. Sharon, I will miss you, your laughter, and your genuine good spirit, and that terrific smile. My deepest sympathy to Danny and Sharon's Family for this loss! Sincerely, Betty Hall Alvater

“ *Sharon's beautiful smile and her infectious laugh would brighten everywhere she went, I will always remember her and cherish all the great times we had together, bowling and all the laughs we shared at our after bowling dinners , birthday parties and at all our picnics, and her strawberry parfait, (that she taught me had to make). I will never forget her, she was a very special person who will be greatly missed. ❤️*

“ My condolences to Sharon's loved ones on her passing. Her smile and laughter remain with me. She was too young to be taken from us. For the 12 years that we worked together, she was someone knowledgeable, dependable and always had her tool box on hand! May she find peace and freedom from pain. May God grant those she left behind comfort and strength and the knowledge that her love for them continues beyond the constraints of death.

“ My condolences Danny to you and the family. Sharon was my right on at work and my heart is heavy that she is no longer just a phone call away. I thank God for allowing us to meet and become friends. I will always remember her beautiful smile and contagious laugh. May you find peace knowing that she is not suffering and has simply fallen asleep. Please know you are in my thoughts and prayers.
