“ *My deepest condolences to everyone that knew and loved Shawn.*

Although not part of my life for many years, he was a great friend and I have so many fond memories. We called ourselves the “Dynamic Duo“ in high school, and we had a lot of fun stumbling through our teenage years. I have spent a lot of time this week reflecting and sharing stories with my family. I will hold on to these memories forever and Shawn will continue to have a special place in my heart.

“ Going to miss you bud! Will always remember the pickup backyard football in the snow at the Kline's house when you first moved in as well as many other great memories throughout the years. Always enjoyed your visits in LBI at the bay beach dog park. And your passion for the EAGLES was awesome! Your family is in my prayers during these times

“ Shawn will be missed by anyone who knew him. He always had a kind word, a smile and a laugh for everyone he knew. He immediately made you feel at ease in his presence and that he truly cared about you, no matter how many days, weeks, months or even years had passed since he last saw you. My heartfelt condolences to his family and friends. The love that everyone has for Shawn is a true testament to the man he truly was. Shawn, you are missed by many.
