“ *Shawnie....I never called you Shawnette. I am at a loss for words. You were a sister from another mother to me, and I will always love and remember you as such. I have few friends as cool and down to earth as you and Mickey...things will never be the same. I miss you already. I will be praying for you and for Mickey and the kids for a long time to come. You were a Mom to many...and an auntie to my kids. I know we'll see each other again poolside!*

Mickey and Kids,  
You are all in my prayers and I know how hard this time is for you. She was way to young to be taken from us. She was a wonderful woman and friend. Always there to help when needed, you will always remember the special times that you shared and I will always remember her with the brightest of smiles and the honesty of her mind and heart. I am here for you no matter what.  
I Love You All,  
Aunt Lisa

“ To beautiful my Sister Shawnette, I really cannot believe you are gone. I remember the last time we spoke, we talked about our days at Vo-Tech and how we both used to say we are related and the teachers would always said, "how come you are not good like your sister Krissy(Kristina) LOL". We laughed about that for days in the hallways. The good times and last conversation will be forever in my heart and memories. I know at the ended God needed an angel, and he wanted you. I know your resting in paradise and I will see you again. I love you Sis.

*Love Kristina King-Pickett and Thomas Pickett*

*Our thoughts and prayers are with Donald, and the entire family.*
