“ Shelleen was a great cousin. I remember her big full-on smile and her warm and friendliness personality just like her grandmother/my aunt. She helped our family in the 90's when we gave our parents an anniversary party we called her a month prior and she was so ready to help out from having the food set up that day so all the utensils. She was the biggest help and best person to go to just like her grandmother. She will be missed so much!
