“ *Aunt Sharon, Kenny, Brian, Michael, Earl, and Michael I am so sorry for your loss of Sherry. My heart breaks for you. My most Fondest Memories or when we would all meet at Nana and pop pops on Saturday afternoon. We we would play in the backyard and go down the lane to the Backwoods and just have a blast. There were times when Sherry and I would talk on the phone or get together and talk about so many different things and we would laugh together. I look forward to when Jesus comes again and we will meet in heaven be able to laugh together again. I love you all you are all in my prayers.*
