“ Shirley and I did PTA things together, a lot of years ago. We had many fun times, laughing and struggling to do the right things for PTA. Peace and comfort to you at this tough time.

“ Linda, Carolyn and Danny, we are so sorry for the loss of your beautiful Mom. Nancy and I always loved to visit and be with Leon and Shirley. We have great memories of them in our younger years when we could be together, doing the things that made us all happy. We all have to leave our loved ones behind someday and memories will be all that's left and it's up to us to make the memories we leave for others. The distance between where we lived made it hard to visit as much as we would have liked but our times together will be remembered as sweet, loving, and fun. Praying for God's love and comfort to surround all the family and friends at this time of sorrow.

“ Dear Rockhill-Clarkson family:

*I wish to convey my sincerest condolences to your entire family. Losing a loved one in death is one of the hardest things that anyone will ever have to deal with. There is a great hope held out to us for the future because God promises to bring those we lost back to life by means of a resurrection to a paradise earth, where sickness and death will be no more. I hope this brief message will bring you a measure of comfort in this difficult time.*

“ Growing up as kids we all enjoyed so many good memories with the Clarkson family. We used to do so many fun activities like camping, amusement parks and family picnics at each other's houses. One of my favorite memories was when she would make homemade ice-cream and her husband was known as the Pepsi man. So sorry for your loss of your Mom, Grandmom and Great Grandmom. May she now rest in peace and suffer no more with her illness. Heaven gained another great angel. Love, Donna, Bruce and family 🌹
