“ *Rosemary & Diana, I just heard about your mother's passing today when I saw Annette and asked about the family. I have such fond memories of time spent at your mom's house with your family all those years ago. “ Dear David family:

I wish to convey my sincerest condolences to your entire family. Losing a loved one in death is one of the hardest things that anyone will ever have to deal with. There is a great hope held out to us for the future because God promises to bring those we lost back to life by means of a resurrection to a paradise earth, where sickness and death will be no more. I hope this brief message will bring you a measure of comfort in this difficult time.
