“ *Stan the man. What can I say about Stan. Very helpfully, kind, hard worker, quite spirit, always wants to be peaceable with everyone. He loved his former job with FedEx, never wanted to leave but because of his health he accepted that which he did not want to do. That's how Stan was, he will try his best with everything as much as mentally and physically possible even when the odds is against him. This humble character he still had in-spite of what was happening to him. All of us who knew Stan, we take our hats off and place it over our hearts as we say what a humble and kind spirited man was Stan the man. RIP my brother.*
