

Stephanie M. Bader

January 5, 2002 - May 1, 2015

Stephanie Bader died in her mother's arms surrounded by family on May 1, 2015, following a 20-month battle with Glioblastoma, an aggressive brain cancer.

Stephanie may have only lived 13 years but she touched and inspired so many people's lives along the way. The quality of her life far outweighed the quantity of time in which she lived. Her beautiful smile was contagious and captured the hearts of thousands of people. Even though her disease presented her with so many physical challenges, she had more strength and courage than any of us ever realized. She taught us that every day is a blessing and an opportunity to create lasting memories. Stephanie was very creative and enjoyed dancing, singing, listening to music, cheerleading, reading and trips to Disney. She loved spending time at the beach and watching the beautiful sunsets. She loved dolphins and dreamed of becoming a marine biologist some day.

With Stephanie's passing it has reminded us that her life is one to be celebrated. Although we will think about her and miss her every day, she will be with us forever in our hearts. It has been a privilege to be her parents.

Stephanie is survived by her loving parents, Edward and Mary Beth Bader, sister Kaitlyn; her maternal grandmother, Carol Stillwell, and her paternal

grandmother, Hildegarda Bader. Stephanie was preceded in death by her maternal grandfather, Arthur Stillwell, and her paternal grandfather George Bader. She will be missed terribly by her many aunts, uncles and cousins.

We kindly request that everyone wear something purple in memory of our precious girl.

Calling hours will be held on Wednesday, May 6, 2015, from 5-9 pm at St. Paul RC Church, 223 East Union St., Burlington City, NJ 08016. Mass of Christian Burial will be celebrated 11 am, Thursday, May 7, 2015 at the church. Interment will be private.

In lieu of flowers, we would be honored to have you support the "Defeat GBM Research Collaborative" through the National Brain Tumor Society. Donations can be made on line through the NBTS website or mailed to 55 Chapel Street, Suite 200, Newton, MA 02458. Arrangements by the Perinchief Chapels, Mt. Holly.

This was reflected in Pep's strength and love. She fought like no other person, child or adult, that I've seen. our community and countless others will not forget. The awareness her fight brought to this illness is immeasurable.

“ I met Stephanie at Abbie's dedication for the first time and loved her and Kaitlyn from the first moment I met them!!! The two of them were in the Hot tub, playing with Abbie, splashing each other and enjoying the day together. Both of them adored little Abbie and doted over her:) a picture of health, love and harmony!! Little did we know that only a few weeks after that Stephanie was diagnosed and started her tragic journey. I will never forget her beautiful smile and charming personality, keeping us all believing and praying and trusting following her on Facebook while she had to fight her way through it. The roles are reversed now, she is watching us now, cheering us on to make our way safely to our Heavenly Father, where she is waiting for us...May God be the family's refuge and peace, an everlasting arm of strength and comfort to lean on!

“ *My 8 year old daughter and I attended the beautiful sing along for Steph last week. We didn't know her personally, but knew of her through CORE. For days now, several of the songs we sang to Steph that day, have been playing on the radio. Well, yesterday we were driving and another song came on. My daughter says to me, "How come some of the songs we sang for Steph...I had never heard in my life but now I keep hearing them on the radio everyday? Do you think it's so we always remember her?" And yes...for so many reasons, we will forever remember your happy and always smiling little girl. Sending love and prayers to your family always! Desiree & Ally Hernandez*

“ We met the Bader family thru a mutual friend. We are a family going thru the cancer journey with our son and this friend thought we could help and guide the Bader's though theirs. When we first met Steph we feel in love with her . How could you not? She was witty, adorable, spunky and quite the Diva.. I began calling her The Diva. My son is Antonio and him and Steph became good friends. They understood each other because they both were fighting the beast. Steph got a hold of my cell and she would text me every day. Sometimes to say HI... or just to see how my day is going or just to tell me to back off of Harry Styles because he was hers. If I was in a meeting and Steph text I would excuse my self because The Diva was texting me and if you do not text her back asap you will be flooded with texts . This was the sense of humor I loved about her. She was Spunky ! I loved hearing her sing. Our families became close and we are blessed to have them in our lives. Stephanie had out heart from day 1. She will always be in our hearts forever. Steph taught us to be kinder to one another... Laugh at every chance you can,, Sing sing sing... Smile and just love everyone. She has touched thousands of lives. This blue eyed spunky little 13 year old had the world in love with her. She never gave up and she fought hard. I know my family and I are better people because of Stephanie. We are the ones blessed to have known her. To the Baders: Your strength and love is just amazing. Pep truly had the best parents to love and to love her. To Kate: You are one of the most loving and caring sisters I have ever known. You could see in Peps eyes how much she adored her big sister. We will miss her always but know she is with us forever, RIP my DIVA ! Go run and play in heaven and sing ROAR over and over again. You won this battle Pep ... Cancer did not win... You lived your life to the fullest.. We will never ever forget you .. Love you always... forever in our hearts ..<3

“ *There are so many memories of Stephanie. Still remember the day she was born. I remember a bunch if us going up to see Mary n Ed. Almost thought we were going to get kicked out cause tony snuck beer in to celebrate the birth of steph! I remember doing her first haircut and especially one time she wanted to go shorter then Katelyn said something about being short n Stephanie cried n cried. I felt so bad, she loved her long hair. She had the greatest personality, loved her funny remarks! One thing she taught me these past couple of months especially, never give up, be thankful, don't sweat the small stuff, and just say Whatever!!!:) Tony n I will miss her terribly! But I know she is up in heaven singing , dancing and doing those splits up the sides of walls which I have no idea how she could do that! She is an amazing girl!!! One more thing I will never look at another hair feather without thinking of Stephanie, she sure loved them.*
