“ Uncle Steven,
You will be missed.. thank you for all the memories. I just keep replaying the time you lived with us.. it was the longest we spent seeing each other. Don't worry we will watch over the girls!

“ My father was an amazing dad to me my whole life!! He was all about his kids and his grand babies too! Every chance he got to tell me how proud he was he did it, and he made sure to always let me know how much I was loved! I will miss our Columbus market Sunday adventures, I and will cherish the memories we made together because there will never be anyone quite like him to me! He always made sure I was taken care of and tried to raise me to the utmost best of his abilities to always know my worth and my strengths!
