Susan Mary Busch (nee Baldwin) of Maple Shade NJ passed away on Friday, November 6, 2020 from cancer. She was 56. A graduate of RV, Susan earned her bachelor's degree in social work from Brescia University. “ Susan was the steady, sarcastic force for the Safe House. Have a fond memory of Susan’s delicious salad and smoking a cigarette with her on the porch when we had a stress moment - laughing the event/crazy of the safe house off.

I still have the card that Susan sent to me after a ‘hell week’ we had...

She was the ride or die with her laugh, wit and sarcasm...

Forever loved and missed.

“ I used to tell "Susie", that she was the best birthday present I ever got. We shared a birthday, March 1st. Although Susan was technically my younger sister's buddy, we shared a special friendship. Although we have lost touch over the years, the entire Baldwin family holds a special, special place in my heart. I walked to school with Kathy and Susan all through my elementary school years. I visited the Baldwin house whenever, the heck I wanted to. Never once did mr. Mrs. Baldwin turn me away, even if Kathy wasn't home. Endless games of Monopoly, Stratego, and rummy are in the Forefront of my happy memories at the Baldwin House. I still have the Baldwin phone number memorized. God bless you all, and Trust in God's love. Respectfully, Ronnie Murphy

“ There are so many, many wonderful memories it is hard to pick only one. Susan was my very best childhood friend. She will live in y heart and memories forever. My heart aches that I didn't get to say goodbye. You are "Leaving on a jet plane" and I won't see you again. I am filled with such sorrow. You will be filling heaven with your laughter!
