“ Deeply saddened....Sue was a good friend to me during our High School years; I remember many walks to her house spending the summer with her. She always had a beautiful smile for everyone. May cherished memories of Sue comfort you during this difficult time.

“ I will always remember Sue as that beautiful cheerful girl with the most lovely smile. We were in sixth grade together and I've always thought of her fondly. My heart hurts that she was taken so young. My heart goes out to her family at this sad time of grief as I am sure it is a very hard for them all.
