We shared many fun events together at Fort Monmouth!

“ I was saddened to hear of the loss of Susan. She was a very special person. We quickly became good friends while working at Fort Monmouth Acquisition Center. We shared many heartfelt stories about ourselves as well as Larry, Kevin, Derek and Aaron. Derek was born the same year as my daughter which bonded us even closer. I only remember fun and good times with Susan, because that was the type of person she was. Never dwelling on the bad things in life, but always looking for the good. I know she is with Derek now and looking down on us with love and remembering the fun times. My sincere sympathy goes out to Larry, Kevin, Jenny, Aaron and Barbara. She loved you all so very much, more than words can express. You are all in my thoughts and prayers.

“ I grew up living next door to the Whites and have known them for about 40 years. Sue was truly a sweet person who always had a smile. She tolerated me running in and out of her house playing when I was younger and made the best cherry Kool-Aid. I will forever remember and miss her.

“ *My mother-in-law (Mum as I called her) was a very kind and caring person. She welcomed me into her family like I was truly a daughter to her. I feel honored and blessed to have known her and to have had the great relationship we shared. I will always cherish the many memories we made together. She was an amazing grandmother and mother, and I only hope she knew just how much she was loved. She will remain forever in my heart, and I will do my best to make sure her grandchildren know just how much she adored them. Sending strength and love to my husband, "Dad", Aaron, Mom Mom and Auntie B.*
