So very sorry to hear of Sue's passing. Mike, I'm so glad that I met you and Sue when you were in town a few years ago. It was so much fun reminicing of old times. Sue always was my NYC guide, and I will miss that. We kept in touch these past few years after so many years out of high school. I will miss her phone calls. She was a wonderful person. Again, Mike, please accept my sincere sympathy.
