“ I will certainly miss Sally and her feisty, spirited nature. A conversation with her would easily lift your spirits, and time spent sharing a cup of coffee or tea with her was a welcome break in any day. I will always remember her out in the yard blowing leaves or trimming branches - giggling and smiling the whole time - at an age when most folks are happy to just relax on the couch. Rest in peace, Sally. You will be missed. Your friends, Nicole and Mason (the Schnoodle puppy).
