

Tammy Alma Orangers

October 10, 1975 - July 1, 2016

Tammy Alma Orangers (October 1975 – July 2016)

Tammy passed away in her home on July 1, 2016 with her loving fiancé, George by her side. Tammy is survived by her children Breanna, Isiah and Xavier, whom she called “her treasures.” Tammy also leaves behind her parents Chuck and MaryAnn Shea, her Nannie, her siblings and spouses: Richard (Sara), Charlene (Randy), Misty (Joey), Christine (Eddie), Russell and Meghan (Mark). Her many nieces and nephews will remember Aunt Tammy as playful and adventurous. (water-guns and nerf guns!!)

Tammy brought to the world a heart full of compassion, kindness and a beautiful gift of acceptance of all people, always seeing the best of every person she met. She loved reading, poetry and enjoyed writing her own poetry. Tammy had a talent with hospitality. She prepared and appreciated good food and good company. She was a whirlwind when it came to cleaning and is remembered by the Society of St. Vincent de Paul for her commitment to the poor.

“Tammy we love you to infinity and beyond.”

Services will be held privately.

“ My first born, you made being a young mother easy. You were always a blessing and a caring person from the time you were little always helping me take care of your sisters and brother. You loved to help me clean. This is so hard for me to comprehend but I would like to think God needed some help so he called on you!! Love you to infinity and beyond 🙏
