“ *To the family, I am so sorry for your loss. Terri and I worked in the same building at MTPS for many years and I have very positive memories of her. She was always very helpful. I remember asking her about the children all the time to hear how they were growing. She was so proud of them. I will continue to pray for you all. So very saddened to hear of Terry's passing. I worked with Terry for several years and could always count on her to help in a crisis! Terri was a "super mom" and devoted to her family.

“ So sorry to hear of Terri's death. I have so many fond memories it would be impossible to name any particular one..... except maybe piling into the station wagon and heading to the Dairy Queen in Burlington to see "The Banana Splits". Terri was a part of a group of great kids that grew up together, on the same street.
