

Terry L. Yurko

December 26, 1951 - August 12, 2016

Terry L. Yurko, 64 passed away surrounded by family and love on Friday August 12, 2016 at Cooper Hospital in Camden.

Terry spent many years volunteering and working for Virtua Memorial Hospital in Patient Relations.

She loved entertaining family and friends and always had an open door to a house full of homemade food. Terry's open door policy also included animals. She never said no to a stray or a rescue who needed a home.

She was a true social butterfly who made lifelong friends wherever she went.

Terry loved traveling and some of her fondest memories are of the experiences she had living overseas. While living in New Jersey, Cape May was her favorite spot, but the Pacific Northwest was her absolute favorite.

The daughter of William and Lillian Burk, Terry grew up in Pasco, Washington

where she loved waterskiing and being a cheerleader for Pasco High.

Terry attended the University of Maryland, Germany campus, studying early childhood development.

Although short, Terry loved the time she got to be "Nana Terry" to her grandson Cole, who she absolutely adored.

She is predeceased by her husband Chuck Yurko and brother Kelly Burk.

She is survived by her daughter Stephanie Yurko and her fiancé Chuck Mathews, and a grandson Cole Mathews.

Nephews Jesse and Jacob Doyle, Jarron Urlacher and Stevie and Lucas Yurko.

Nieces Michele Wolf, Suzie, Ashley, Olivia, Grace, Katie and Charlie Yurko and Alex Burk.

In laws Michael and Jennifer Yurko, Patrick and Terry Yurko and Lois Yurko.

Relatives and friends may visit the family on Saturday, August 20, 2016 from 2-3 PM at Perinchief Chapels, 438 High Street, Mount Holly. A memorial service will follow at 3 PM. Interment is private. “ Terry and Stephanie were my neighbors in Medford for a couple of years. I loved the way Terry decorated her home. It was cozy, warm and you would always feel welcome. I was just talking to the new neighbor that just moved into the unit that Terry and Steph lived in. I told her about Terry and how she would decorate her little back yard. The plants that she planted against the fence and under the pine trees. Her flowers under the windows in different colored pots. She had these adorndack chairs....with BIG fluffy pillows on them. She made the pillow covers herself. She was a great cook and she would send Steph over with a plate of something wonderful for me occasionally. Terry was a unique character and we had fun together. A bright, happy, energetic, styling kind of gal.....Steph you are in my prayers and Terry thank you for being a wonderful neighbor.....God Bless.....

“ Terry and I had lost touch with each other for many years but we're able to reconnect through Facebook. She and I would talk on the phone for hours. It was as if no time had passed at all for us. She always talked about the time my parents had taken us to see President Kennedy at Hanford. We shared many good memories and I count my blessings that she was in my life. I will miss you Terry. She you in heaven someday.

What pain you've gone through for many years, now it's gone. Bless your family, especially little Cole, who won't have his Grandma Teri to see him grow. Another Pasco Bulldog sends her condolences. Sally Mitchell Mills

Stephanie so very sorry you lost your mom so young. I too lost my mom when I had a sweet baby just like you. I so enjoyed your mom and my visits after reconnecting. We knew each other in high school then I moved to WW and she worked here for a brief time. Reconnected by Facebook and had talks about moving back. She had told me about her accident and how happy she was for you and your fiancé and of course Cole. Hugs to you all,
