“ *So much can be said to describe Thea as a friend, a wife, a mother, a grandmother, a great-grandmother, a mother-in-law, my second mom! Her smile always made people feel welcomed and special. I felt that way 12 years ago! It was so easy to love her! No words can ever explain how much you will be missed! We love you forever. Eu amo voce!*

“ So sorry to hear of Thea's passing.
I always enjoyed her German accent and German view of things. I remember her being shy about speaking English. It took awhile for her to be confident using it.
I'm going to try to make it to the cemetery, Bill.

“ *There are so many memories of Thea to share... I remember her keeping fixings for ham and cheese sandwiches in the fridge in case I didn't like what she made for dinner. I remember all the boys in the family receiving new socks for Christmas every year. I remember her being flustered if she hadn't colored her hair in a while even though everyone else still thought she was beautiful. I remember her going out of her way to find cards that specifically said "great-granddaughter" for my kids. There are so many more, big and small. We will always love Grandma Thea just as she always selflessly loved all of us.*

*Love always,
Alana, Billy, Nevara, and Kingsley*
