“ I have so many memories of Ted and I'll always be grateful for just how generous he was to me. He was a big part of my life beginning in my high school years. He financed our Basketball League in 1960. He would constantly pick up the check at the Town Restaurant because I was still in school and he was already working. But Ted was generous in many other ways too. Anytime I had problems, Ted was there to counsel me. He was my best friend and my Best Man at my wedding.

I'll always miss him!##imported-begin##Jack O'Connor##imported-end##

“ I will so miss Ted's presence in my life. He was such a good brother. I still remember listening to the sounds of Sinatra and Mathis on Ted's big old tape recorder. He loved that music! Ted was a good mentor, always willing to share his ideas and knowledge-but more than that, Ted generously gave his time. He truly understood the meaning of family. He will always be in my heart.##imported-begin##Carol Zapiec##imported-end##

“ What a great father, provider, husband, brother he was. To me, his
ex-sister-in-law, he was a supporter, someone I could always have a
great, deep conversation with. Someone who understood and
sympathized. He will be missed. Our sincerest sympathies to
Carmen, Lisa and Ted's brothers and sisters. Love, (Aunt) Josie,

“ *If I could re-live yesterday, just even for a while, I'd say good-bye, Ted, and embrace you, and maybe see you smile.*” [Author believed to be David Romano.] The poet goes on to write, “. . . but since that cannot be, only memories will have to take its place for me.” That's how I feel upon learning of Ted's death. Our prayers at Mass tomorrow will be for Ted and also for you, Carmen, as well as your entire family. With fond memories of my cousin, Ted - Don Walheim & my wife, Colleen (San Antonio, Texas).##imported-begin##Don & Colleen Walheim##imported-end##

“ *Life is not a path of coincidence, happenstance and luck, but rather an unexplainable, meticulously charted course for one to touch the lives of others and make a difference in the world.*

Ted was always there with a helping hand when someone needed him. He toughed my life and I will always cherish him.##imported-begin##Joan Venticinque##imported-end##

“ One other thing that I believe is true. Mr.Venticinque being such a good provider and protector of the family would have wanted to go first. He needs to clear the path and make sure everything is in order for your mom someday. Know and believe he is with Jeannie and he is happy and he will be there waiting with open arms.##imported-begin##Roni Brauckmann Bills##imported-end##

“ My early memories are coming to your home and Mrs. V was busy making fried bananas and chatting away and you were always so very calm and peaceful.Your presence was always felt and you were such a loving man with Jeannie and Lisa. You were always present at any functions and you were the quiet yet supportive father. I know your family will miss you but know that you did an awesome job fathering everyone who had the honor to meet you and be part of your life. You will be missed by all who knew and loved you but know that your spirit will live on forever. When I think of you I smile.##imported-begin##Roni Brauckmann Bills##imported-end##
