“ There are so many memories we could never list them all but the ones I remember the most are our trips to seaside and even though I was a lot younger Tom and Ruth would always take me with them. Then the first softball game you took me to where I would meet my future husband. Who would have guessed. After we were married our many long weekends in Williamsburg. The four of us had such fun. The birthdays, weddings and many Christmas Eves we would share with the family. So many memories to comfort us now that you have moved on. The best brother-in-law we could have asked for. Rest well Tom!!
