“ *May you surrender your soul to the lord and find peace in knowing that your fight is over. Let go of any regret and allow your body to be laid to rest as your fallen brothers welcome you home with open arms and you take your place with them in heaven. You were such an important part of our lives and you will always be remembered. A piece of you lives on through our beautiful daughter, Jasmine. Please watch over her from above and help me keep her safe.*

“ I remember when you invited me to eat at Country Buffet with you and your beautiful family. You basically had me at “Military Discount” 😂😂 It was fun sitting down to eat and goofing around, like you always loved to do. We’ll never forget your funny sense of humor and your wisdom you constantly shared with everyone. RIP brother, till we meet again. I know you’ll be waiting with your huge, contagious smile.....
