

## Troy Allan Conover

January 10, 1962 - April 3, 2022

Troy Allan Conover, of Burlington Twp., passed away on Sunday, April 3, 2022 at his home surrounded by his family. He was 60. Born in Newark, NJ; the son of the late Edward and Charlotte Conover.

Troy was a loving husband, brother, and son.

Troy was a very loving person underneath the hard exterior. He met the woman who would become his wife later in life, the love they shared was more than special.

His love for animals especially his Ruby & Clover puppies. He loved to travel as well. Getting a cabin in the mountains helped him so much get through his struggle. Also, his joy of riding his beautiful 2014 Street Glide Special. Everything on his bike needed to be chrome. That was his thing and No one could touch it. His hands only. He was a very mechanical person which he started doing early in life. 45 years he continued his career. He was employed by FedEx Freight, he enjoyed his work there. He could fix anything. He loved his family especially his sister Robbin. He carried love for many family friends too.

He is survived by his wife, Sally Savage-Conover; two step-sons, Salvatore and Paul Spencer; sisters Gurtrude (Trudy) Csizmadia, Kim Conover and

Robbin Conover, his brothers Dale Conover and Kevin Conover, sister-in-law Paula Conover (Carabelli) and Nephew Nicholas Conover and many other cousins and friends. Troy was preceded in death by his mother Charlotte Conover, his father Edward Conover Sr, brothers Edward (Dinky) Conover Jr. and Dwayne (Pudge) Conover.

Services will be held at a later date. In lieu of flowers, memorial donations can be made in Troy's name to St. Jude's Children's Hospital ([www.stjude.org](http://www.stjude.org))

“ Troy was my best friend, though there was 30 year age gap. From the day i meet him he took me under his wing taught me and gave me advise, even when it wasn't what i wanted to hear. I've known troy for 5 years for 3 of those years sent more time with him than my wife. He is apart of my life even still with his lesson and advise, while I'm working or teaching your techs the things he taught me. I miss him
