

Vivian M. Dembrosky

December 24, 1932 - June 27, 2022

Vivian M. Dembrosky (née Betti) reunited with her dearest husband on June 27, 2022.

Vivian was born on December 24, 1932 in Jessup, PA to Nando and Nellie Betti (née Paoletti). She was the beloved wife of John J. Dembrosky “Jack” predeceased March 26, 2021. Vivian and Jack were proud parents to their 5 children; Frank (Nancy) Suriano both predeceased, John (Sue) Dembrosky both predeceased, Mike (Lucya) Dembrosky, Donna (Andrew “Duke”), and Hope (Frank) Forte, proud grandparents to 17 grandchildren, 8 great-grandchildren, two great-great-grandchildren The pair also leave behind their cat, Kitty, of whom they both doted upon.

Vivian and Jack were married November 26, 1954 and enjoyed traveling the world with their children while Jack was active duty U.S. Air Force before retiring in 1971 with more than 20 years of service. Vivian was not only a devoted wife and mother, she also worked as a seamstress, deli manager, and an in home day care provider. She was known by many for her homemade pasta, pierogi, and cookies. She was creative and showed off her sewing skills by hand making intricate Halloween costumes and Easter dresses for her grandchildren. From a young age Vivian had a love for dancing; she found a second family after more than 25 years of country line dancing and some would even say she became the unofficial mascot of

Prospectors Bar and Grill. Family meant the most to both Vivian and Jack, and they showed it often when they hosted summer canoe trips that finished with a backyard barbecue, and with their annual Christmas party complete with the holly tree lighting ceremony, and visit from Santa himself. Vivian was also a church member at Our Lady Queen of Peace. Vivian and Jack will be forever in our hearts and we are glad they are together again, one is most likely off playing golf and the other is stomping out a good kick-ball-change above our heads.

Public viewing for both Vivian and Jack will be held on Wednesday July 6, from 6-8pm at Perinchief Chapels, 438 High Street Mount Holly, NJ 08060. A Mass of Christian Burial will be held on Thursday July 7 at 11am at Our Lady Queen of Peace Church, 1603 Marne Highway, Hainesport NJ 08036. Interment will be held privately.

“ I was a child that endured Vivian’s in home daycare. If you can call it that. Vivian was mean and harsh. I never forgot the way she treated the children in her care. She ran it like a camp. She would never let you upstairs or out of her basement. She made you eat a microwave chef boyardi bowl off of the cold basement floor from a paper plate where you had to sit in a circle with your legs open and the plate in the middle. She made you nap on a thin blanket on the floor with nothing covering you and you had to be face down with your head facing a certain way or you got in trouble. I watched her beat a child for not going potty after making him sit there for over an hour. I watched her put socks over a baby’s hands and smack her hands when she tried to put them in her mouth. She was verbally abusive to all of the kids in her care. She allowed her grandchildren to come down in the basement and bully the others while we watched them getting to watch tv upstairs and laugh and play and eat homemade food. We were put in a hole and treated like a burden and she deceived the parents by allowing us upstairs or outside only when it was pick up times. I put this here because I often wonder about the emotional scars that she gave and about all of the children who had to endure what I did or worse in her care. The truth needs to be told. I read her obituary making her sound so kind and loving but she wasn’t to us. I hope that she found peace within to become a better person later in life and beyond.

“ Mom Mom Vivian, and Mister Jack were two of the most caring and loving people I have known. Mom Mom Vivian took care of me from the age of 6 weeks old, along with my older brother. Many of my childhood memories involve them, their home, and their family. They were like an extra set of grandparents. Thinking about how lucky both me and my brother were to have such amazing people in our lives makes me smile.

“ “Mom Mom Vivian” & “Mister Jack” were special people with enormous hearts. It took me becoming an adult and having my own family to truly understand how lucky I was to have them taking care of me and my sister when we were children. I have many good memories of my time in their home. To their family and friends: I hope warm memories of them similarly come as a blessing, and ease your grief. Please accept my condolences.

Vivian - what an inspiration I always found you to be! What a beauty you were - I always admired your swag and style on the dance floor and remember how you used to teach your granddaughter to swing dance!! We became friends many years ago while dancing our hearts out and we always enjoyed catching up with each other's lives. You eventually suffered health issues and a husband who needed your care when he too encountered health problems. In spite of it all - you never let it get you down and continued to enjoy dancing now and then. I've missed you, Vivian. You passed on my birthday - what a blessing! I will think of you fondly on each and every birthday - may God keep you in His care and I will keep on dancing as I know you would want me to do! Love you, Sheila Behrend
