“ He was I good man to know. I felt like he was a father to me. I enjoyed spending time with him and my auntie. When I moved to Florida they took me in like a son and welcomed me. He is a big part of my life so many special memories I have of him. He will be missed. Brian Ben butler

“ When my mother his sister died, he and his wife Aunt Jackie took me into there home and treatedme like more than family. I felt like there son and from that day forward Unk was my best friend, and mentor through life he provided advice! Now my best drive is gone and the happiness always shared, burned In my memories! Always your son always the one I will protect your wife!
