"Brother"

You gave no one a last farewell..
Nor ever said goodbye..
You were gone before we knew it, and only god knows why..
A million times I will miss you..
A million times I will cry..
If love alone could have saved you..
You never would have left..
In life I loved you dearly..
In death I love you still..
In my heart you hold a place no one else can fill..
It broke my heart to lose you,
but you didn't go alone,
for part of me went with you,
the day God took you home...
We will meet again someday..
I know in a better place.
I thank God he made you my brother while you were here on earth.

“ *Some time ago when Warren was young, he had a bad habit of sleeping in. He lived around the corner from his work and was on my crew. The guys and I decided that enough so we stopped at the house. Dad answered the door, opened, motioned to where Warren was. So we gathered Warren up and put him in the truck in his undies. We took him to job where Warren slept all day. He was the easiest going person I know. Not even carrying him out in the cold got him mad. He laughed about it the ride up and back. He always will be my Brother. Rest my friend. Love.*
