“ We did not know CW3 Wesley Lewison; however, as veterans of Viet Nam we wanted to send this note of encouragement and support. Surely Wesley was greeted at Heaven's Gates by God, with His arms outstretched for a "Welcome Home" hug. May God grant you strength and courage to continue as Wesley would want you to do. We are sorry for your loss of your Husband, Father, Best Friend...

"When tomorrow starts without me, And I'm not there to see, When the sun should rise and find your eyes all filled with tears for me; I wish so much you wouldn't cry the way you do today, While thinking of the many things, We didn't get to say. I know how much you love me, As much as I love you, And each time that you think of me, I know you'll miss me too; But when tomorrow starts without me, Please try to understand, that an angel came and called my name, And took me by the hand, And said my place was ready, In heaven far above, And that I'd have to leave behind all those I dearly love. But as I turn to walk away, A tear will fill my eye, For all my life, I'd always thought, I do not want to die. I have so much to live for, So much left yet to do, it seems almost impossible, that I'll be leaving you. I think of all the yesterdays, The good ones and the bad, I think of all that we have shared, And all the fun we had. If I could relive yesterday, Just even for a while, I'd say good-bye and kiss you and maybe see you smile. But then I fully realize, That this could never be, For emptiness and memories, would take the place of me. And when I think of worldly things, I might miss some tomorrow, I think of you, and when I do, My heart is filled with sorrow. But when I walk through heaven's gates, I'll feel so much at home. When God looks down and smiles at me, From His great golden throne, He'll say, "This is eternity, And all I've promised you. Today your life on earth is past, but here life starts anew." I promise no tomorrow, But today will always last, and since each day is the same way, There's no longing for the past. So when tomorrow starts without me, don't think we're far apart, For every time you think of me, I'm right there, in your heart "###imported-begin##Ginger & Chester##imported-end##
