“ *In Loving Memory of William "Billy" J. Wright ..I'd like the memory of me to be a happy one,, I'd like to leave an afterglow of smiles when life is done..I'd like to leave an echo whispering softly down the ways,, of happy times and laughing times,, and bright and sunny days.. I'd like the tears of those who grieve,, to dry before the rise ,, of happy memories that I leave when life is done.. Helen Lowrie Marshall*

“ Our daughter, Nancy Wolfe introduced us to Billy over 25 years ago. We grew to know and love him, especially his great sense of humor and unique outlook on life. Billy was dedicated to his family and spoke of them often. May we all know that Billy will always be with us in our hearts and memories. We were Blessed to have known him.

“ *My brother was my friend and confidant. I loved and respected him. A rich life is not determined by the car you drive or the size of your house. Leaving this world having a huge impact on your loved ones is what makes you rich. I will be forever changed by his death.*
