EW

I worked at Memorial Hospital from 1970 until 2010, and first met Bill when he worked in the lab there. Drawn to each other because of our mutual Irish descent, afyer he left the hospital I subsequently looked forward to seeing him and sharing a "nip" every Saint Patty's day as long as he was able. Bill was a fine man, and I was very sorry to hear of his passing. I'll miss seeing that happy Irish face. RIP Bill.
