“ *I have many fond memories of skiing with Bill and the RV Ski Club. He was generous with his time and sharp with his wit. And his laugh....oh how we loved to hear him laugh...it was contagious. I hope he and Lenny and my Dad are having some good laughs together once again. Many condolences from the Morse Family; we are so sorry for your loss.*

“ Bill Hosbach was a champion for students with special needs at RVRHS for many years. He coached several teams at the Special Olympics and was always looking for ways to encourage the best in his students. I was lucky enough to have his guidance as a new teacher and the first female in the department. As the chairperson of the department , Bill opened the door to new programs and opportunities. I regret not thanking him, at the time, for his caring and kindness to students and staff.

Gods Speed, Bill

“ *What an amazing teacher/person he was and never missed a beat with his students. I had him in the late 90s and he knew I was up to no good when I asked to use the bathroom and his famous line he always used if you shake it more then twice you are playing with yourself which meant when you get a chance hurry up a little would you? Great person great memories.*
