“ *Our Collective Memories of William P. Jackson:
A beloved Brother and Uncle, an avid golfer, amateur sketch artist,
lover of cartoons, lover of a good joke as well as, teller of them,
sometime "trouble-maker," 😊 consummate military man, but most
of all, a lover of and for his family. We will miss you Brother and
Uncle Bill. May your soul be at peace.*

Eunice, Linda, Shafeeq Sr., and Shafeeq Jr.*

“ I was four years old when Uncle Bill was visiting my family in Oakville Ontario, Canada. I had just woken up and heard lots of laughter and noise coming from the living room. As I peaked my head around the corner, I saw this man, larger than life talking and laughing with my sisters, one of my sisters sat on his leg. At first, I was a little timid of him because he was so tall. My mother beckoned me to say hello to my uncle Bill. When I approached him this amazing smile appeared as he opened his arms to me. I climbed up on the other leg and joined in the fun. That was the first time I met my Uncle Bill and I remember it so clearly.

Auf Wiedersehen Babycakes, schlaf gut.

“ We loved visiting with William P, on both the east and west coasts. I remember him complaining about the ride from LAX taking so long, that he thought Romel had drove him back to Jersey. I loved that he could always put a smile on your face. There was never a dull moment when he was around. Always with a smile and a good story that was usually very funny. A larger than life type of man! Such a dedicated and loving man. He will truly be missed. We will continue to pray for the entire family as they deal with their loss.
