“*I'm Elaine Hopkins, Sonny always called me the French girl. We moved here to the state's from Canada. My father was an electrician and all my uncle's were to. Sooo my father and Sonny and all my uncle's worked together. Working on the telephone poles. Sonny called them the crazy Frenchman's. After a long days work they all need a drink. That's when the crazy's started. I've been part of the Family ever since then. I was only like 9 or 10. Dolores and I worked together for years. I always was included in all the happenings. I just love them all. So Sonny RIP I will never forget you. Love you. 🥰🥰*”
