“ *You came into my life unexpectedly and you left me the same way. What I wouldn't do to hear your voice one more time even just to say “hey kid - call your mom.” You helped make me the strong and independent woman I am today and I am grateful for that. I miss you but I also know you will always be by my side. Love you Dad. ❤️*

“ *A terrible shock. Gone way too young. Christine and Noelle I am so sorry. Dale and Faith please accept my heartfelt condolences. I have been told Billy was the best with the bikes. And to the whole family my deepest sympathy. Thinking of Uncle Bob and Aunt Helen today.*
