“ Bill was a very dear friend!! He was always ready to give a hand when he could. My husband had a lot in common with Bill. They both loved fishing and hunting until my husband finally gave it up because he loved animals so much. I remember Bill's Pit Bulls and the huge turtle he had in the back of his truck one time to take home and make turtle soup. We both loved Bill and even tho I haven't seen Bill for a couple of years I will miss him very much. I'm sure he is having a beautiful reunion with Harold in Heaven and I will join them some day. Praise the Lord!!
