This is how I will always remember my good friend, Billy Reid We always had a good laugh in the many shows we did together and as in this photo it was always a laugh fest after the shows. I am so sad that those laughs are no more, but whenever I think of Billy, I will always smile as I cherish the beautiful memories. Love to Ro and the family Jay & Ruby Michaels.

“ Longtime fan and friend "from the road" We used to see Bill and The Tokens out on the old Wolfman Jack/Mars Talent Tours, often backed by our Cleveland "family" of Gary Lewis & The Playboys. We used to make Banana Bread for all the band members on those tour stops in Ohio and surrounding states, plus Windsor and St Catherine's Ontario.

Your talents were many, your sounds were phenomenal.. your friendship over the last 35 years was precious. I will miss seeing you at the shows. I still owed you a loaf of banana bread, sadly I can't deliver... Rock in Peace Billy... #oldtyedyeguy Akron Ohio wixy1260online
