“ I grew up on the same street with Bill Trefz and his family. Mr. Trefz was genuinely one of the nicest, most compassionate, caring and understanding people, even when a wild armed 9 year old accidentally busted the windshield of his VW bus with a rock. I have amazing memories fishing and clamming the bays of LBI with Bill and my grandfather, Elmer. Bill was an amazing artist, carpenter and tinkerer. There was nothing he could not make with his gifted hands. Heartfelt condolences to the "B" hive - Billy, Bev, Barb and BJ. Your dad was a blessing to all of us. Thank you for sharing him!

“ Mr. Trefz was my mom Gay Cucugliello's guidance counselor when she was in RV in the 60's ish - my freshman year was 1983 & he was still a guidance counselor & I was lucky enough to also get him - tremendous man - my mom couldn't say enough good things about him & at that time in my life I rarely agreed cause I knew everything but with Mr. Trefz she was 100 dead on - I loved him & have great memories - not sure how many other people would say that about their guidance counselor but I can honestly say he always made an impact on me throughout my high school formative years & I respected & loved him... I'm so sorry for your loss - thank you Mr. Trefz - rest easy now❤️❤️

Mr. Trefz was a wonderful man who influenced my life greatly. As a quiet young girl, he gave me confidence in my abilities and encouraged me to attend Trenton State College (now The College of New Jersey). I babysat for his children in Rancocas Woods. He was absolutely perfect as a guidance counselor. ❤️

“ So many memories with Bill Trefz and family. So kind, funny and caring he was the only person to continue to visit my mom after my dad died. I remember crabbing in the bay , visiting at the shore, spending weekends in Wharton state forest while my dad and Trefz cut firewood and riding to RV every day with him. I can not list all the fun I had or all the kindness that Bill Trefz displayed all the time. My love and sympathy to his family for the loss of a wonderful man.

“ My condolences to the family. Mr Trefz was awesome. He was my guidance counselor all four years at RV. Always willing to listen. Pulled me from the assembly that showed the traffic accidents due to my dad dying in an accident. He felt I didn't need to see the tragedy. RIP.
