

## William Lee Wolosin

July 16, 1985 - November 8, 2020

William Lee Wolosin was a proud business owner with BDP Construction along with facilities coordinator for his local church in Burlington County. We lost him unexpectedly on November 8th, 2020 at the age of 35.

Billy is survived by his wife Alicia Wolosin; his children, Wyatt Lee and Alexander Lee Wolosin; his parents, James Jeffrey Wolosin and Terry Eppes-Wolosin; his brother James Wolosin and sister Donna Clark.

He was born on July 16th, 1985 in Willingboro NJ. He graduated high school in 2003 and joined the US Marine Corps shortly thereafter. On October 17th, 2007 he married Alicia, the girl next door. On August 7th, 2015 and January 10th, 2018 respectively he welcomed his two baby boys, who he absolutely loved and adored. They were the most important part of his life. Billy lived life to the fullest and never took anything too seriously. He was always the center of attention in any room he walked into and had the biggest heart and personality. If you needed something, anything, at any time, Billy was there and always came to the rescue. He was a very hard worker and gave 110% of himself at all times. Whatever he put his mind to, he had to do it to perfection. He was a problem-solver and always thought outside of the box. Billy was also a spiritual man who loved the Lord and he used any chance he got to help others and minister to them with his testimony. He was well known in the area for his outreach and giving spirit to his local community. He will surely be

missed by many, near and far. His impact in this world is far beyond our comprehension.

Come join us to pay your respects on Wednesday, November 18th, 2020 between the hours of 6pm-8pm or Thursday, November 19th, 2020 between 11am-12pm at the Fountain of Life Church in Burlington NJ. “ *I had the privilege of playing softball with him for my church's teams during the summer time. Watching him work hard at church was inspiring to me. I will never forget what Billy told me when I was playing soccer for Life Center Academy. He told me to play hard and strong. Don't be afraid of the opponent even if they are bigger than you. I'm so grateful for the time I knew him and hearing his story is so powerful and has changed lives and will continue to change lives. Praying for the family daily and all who worked for Billy. I miss him daily.*
