“ *Bill worked with us for many years at the Burlington County Engineer's Office. He may have had a gruff exterior, but I have fond memories of his softer side. I am so sad to hear of his death. He's cheering on his 49ers' playoff win up there right now!##imported-begin##Mia Baker##imported-end##*

*Bill was always a fun guy to be around. Somewhat rowdy at times but just having "fun". May all of his family and loved ones embrace the loss of "dear and beloved" friend.*
